

Hey Students

During your journey on Future Ready Talent, you are required to complete the self-learning courses. It is a mandatory step and requires you to be registered and logged on to the MS learn portal while completing these courses.

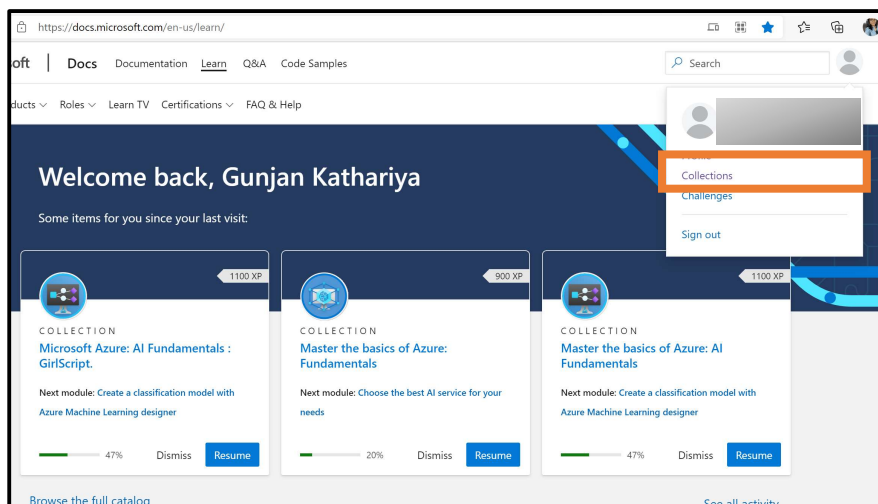

Through course links you will be redirected to MS learn directly or via FutureSkills Platform to learn and complete these courses.

The MS learn profile URL is required to sync your progress of these course. Submit your correct profile URL for the team to validate your completion and update your progress. Ensure you login using same profile while completing the self-learn courses on the platform

How to find MS Learn Profile URL

1. Login to MS Learn using your credentials. Here is the link: [Microsoft Learn | Microsoft Docs](#)

2. Click on  and navigate to **Profile**

4. The below page will be displayed. Below page is displayed. Click on the address copy the URL
